Summary

Dynamic and detail-oriented Front-End Developer with 3 years of experience in building high-performance, user-centric web applications. Proficient in modern technologies, including HTML5, CSS3, JavaScript (ES6+), React, Next.js, and Tailwind CSS, with a strong focus on responsive design and accessibility. Skilled in crafting seamless, interactive user interfaces using frameworks like Framer Motion and delivering robust solutions backed by MongoDB. Passionate about optimizing performance, enhancing user experience, and staying ahead of industry trends. Adept at collaborating with cross-functional teams to deliver scalable, maintainable, and visually striking digital solutions that drive business growth.

Experience

Cleantouch Software Corporation

2022 - 2023

Junior Front End Developer

FB Area Block 2 Azizabad Block 8 Gulberg Town, Karachi

🔗 <https://www.cleantouch.com.pk/>

Worked as a Junior Front-End Developer, delivering responsive and interactive web interfaces using HTML5, CSS3, JavaScript, jQuery, and Bootstrap. Focused on translating design mockups into pixel-perfect, functional web pages while ensuring performance optimization and cross-browser compatibility. Prioritized writing clean, maintainable code to streamline development and future scalability.

Collaborated closely with designers and back-end teams to create seamless, user-centric experiences. Played a key role in enhancing UI/UX through dynamic features and efficient front-end solutions, aligning deliverables with business objectives.

Crystallite Pak Pvt Ltd

2023 - Present

Front End Developer

1210,1212 , National IT Park, Main Shahrah-e-Faisal Rd

🔗 <http://crystal-lite.net/>

As a Front-End Developer, I contributed to in-house brand projects, utilizing HTML5, CSS3, JavaScript, jQuery, Bootstrap, Tailwind CSS, React, Next.js, and Framer Motion to build responsive, high-performance web applications. Focused on delivering seamless user experiences, integrating MongoDB for efficient data management, and ensuring cross-platform compatibility.

I played a key role in developing scalable, maintainable solutions, using Framer Motion to enhance user interactions with smooth animations. Collaborated with design and back-end teams to create innovative products that aligned with the brand's objectives, driving growth and improving the overall digital experience.

Skills

HTML5

Structuring web content using the latest HTML standards.

CSS3

Styling web pages with advanced CSS techniques, including animations and responsive design.

Bootstrap 4 & 5

Building responsive, mobile-first web applications using Bootstrap's CSS framework.

Tailwind CSS

Utility-first CSS framework for rapid custom design.

JavaScript (ES6 & ES6+)

Writing dynamic, interactive web pages with modern JavaScript features.

ReactJS

Building efficient, scalable user interfaces using React’s component-based architecture.

NextJS

Framework for building server-side rendered React applications with optimal performance.

Framer Motion

Creating smooth animations and transitions in React applications.

MongoDB

NoSQL database for managing and querying large datasets in web applications

jQuery

Simplifying HTML document traversal and manipulation, as well as event handling.

Responsive Web Design

Designing web applications that adapt seamlessly to different screen sizes.

Cross-Browser Compatibility

Ensuring consistent look and functionality of web applications across various browsers.

UI/UX Design Principles

Designing intuitive and user-friendly interfaces focused on enhancing the user experience.

Git

Managing project code history and collaborating with teams using Git.

Education		
MH Grammer P/S School		2019
Garden West Karchi		Secondary School Certificate
Completed Secondary School Certificate (SSC) gaining a strong foundation in academics and personal development.		
Govt College of Commerce & Economics		2021 - 2022
R2XF+26Q, Beaumont Rd, Civil Lines, Karachi		Associate Degree In Arts
Earned an Associate Degree in Arts from Govt College of Commerce & Economics, building a solid academic foundation in the arts and enhancing critical thinking and analytical skills.
